This day is dedicated to raising awareness of the meaning and value of human life at every stage and situation. This year's Day for Life will be celebrated today in Ireland, Sunday 2nd of Oct. on the theme 'Caring for the Older Person'. We invite people to think again about the value and worth of older persons in families and in society, and to choose to connect the generations. We call for people and parishes to devote quality time, energy and creativity in caring for the older persons in our communities. We invite engagement in political debate on providing adequately resourced care of older persons so that no-one feels like a burden in our society. Saint Joachim and Saint Anne – Pray for us!
