REFLECTION

Dear God, We give them names: Refugees, Asylum seekers, Migrants, Economic migrants, some seem more welcome than others.

But you know their human names because they are your kin, stamped with your image, divinely human. Please let us never forget this. Amen

PRAYER

You made us, God, in your own image, and then became one of us, proud of those you have made. Make us proud of being part of that worldwide family, and eager to discover and celebrate your image in every person, every culture, and every nation that we are privileged to encounter. **Amen**
