REFLECTION

According to a Far East proverb, "a wise person, looking at the egg can see an eagle; looking at the seed can see a great tree; looking at the sinner can see a saint". That is how God looks at us: in each of us, he sees potential, unbeknownst to ourselves, and throughout our lives he works tirelessly so that we use this potential for the common good. We pray for awareness regarding those with vocations and good guidance to keep those vocations properly supported. Let us pray, that the People of God increasingly respond to this call. Let us implore the light of the Holy Spirit, so that all of us may find our proper place and give the very best of ourselves in this great divine plan! **Amen** *Rome, Saint John Lateran*
